Chas. W. Sherton Bramhall

My esteemed Cousin:

I send you
herewith a photograph of my father
with a brief biographical, or genealogi-
cal, ^{sketch} entered thereon. I have but
two left, and I think I can spare but
this one to your branch of the family.

I mean of course, the descendants
of William. There are remaining
two other branches - viz: the descend-
ents of Joseph, represented by Wm
Cooley, Mr. Billings & Mr. Sweetland;
and the descendants of Lucy, repre-
sented by John C. Stowell, his son
Calvin, &c. These three branches rep-
resent all the descendants of Joseph
